Fred Levoyier Heath  
5551 Neal Dr.  
Macon, GA 31216

I retired from Robins Airforce Base on a medical retirement. My medical condition was caused by an injury I received on the job so I was moved from a medical retirement to workers compensation. I had gotten better and requested to be put back on medical retirement, so I could work when my health permitted. I started working before the paperwork was finalized. I was turned in for working while still on Workers Compensation. I was sentenced for Workers compensation Federal Fraud. I came off workers compensation with in a month or so after being turned in. This is the first and only time I have had any legal problems. I have no record prior to this or since this.

I was convicted on a plea of guilty in the United States District Court for the Middle or Central District of Georgia of the crim of: Worked while on Workers Compensation and was sentenced on March 31, 2004 to Imprisonment for 5 months, house arrest for 5 months, 3 years probation and restitution of \$97, 635.13. I was 61 years of age when the offense was committed. I began my Imprisonment on, June 5, 2003, in the Atlanta Federal Prison. I was released from the from the Atlanta Federal Prison on October 31, 2003. I then began house arrest with monitoring device on November 3, 2003. I completed house arrest on March 31, 2004. I completed my probation in October 2006. I am making monthly restitution payments of \$200.00 per month to: U.S. Department of Justice , Georgia-Middle, Civil Division, P.O. Box 1702, Macon, GA 31201 payable to Clerk, U.S. District Court (my Court # is 5:02-cr-00001.).

I applied for a pardon to have my gun rights reinstated after the end of my probabtion at which time I was told that I needed to wait 5 years after completing my Imprisonment. I then applied on January 4, 2009, I was eligible to apply on October 31, 2008. I sent a second letter on July 7, 2009, after not hearing about the original request. I have not heard from my pardon application .

I am seeking this pardon to have my gun rights reinstated . I am an avid hunter as was my Father and Grandfather. My Father and Grandfather are deceased I would like to have the guns that they left to me. I would also like to be able to again hunt with family and friends. I would also like to again have firearms in my home as protection for my family.

Dear Senator Chambliss:

This is in reply to your letter of August 30, 2010, forwarding Fred Heath's correspondence, who wrote to your office to inquire of the status of his presidential pardon application.

Mr. Heath's application for presidential pardon remains under consideration. The amount of time required to process such applications to completion can be lengthy, and unfortunately no assurance can be provided that his case will be adjudicated within a specific period of time. You may be assured, however, that Mr. Heath will be notified promptly when final action has been taken on his application.

Thank you for your interest in this matter.

Sincerely,
